## SASHING CUTTING DIRECTIONS

cut small squares 1.5" x 1.5"

Visit [Aurifil.com](http://Aurifil.com) and go to the Free Pattern Page to print all the embroidery patterns for this quilt.

# 2012 Aurifil Designer of the Month Quilt Setting

## Final Quilt Size 41" x 44"

For the outer borders we went for a scrappy look by sewing strips and units together first.

Then these strips are cut to the correct size so they are a scrappy placement.

### **Inner border 1**

Sew enough 1.5" strips together to make 125".

### **Inner Border 2**

Sew enough 1.5" strips together to make 132"

### **Outer Border**

If using a layer cake, cut the 10" layer cakes in half for 10" x 5" units  
Sew enough units together to make 160"

cut 8 small setting squares 1.5" x 1.5"

=====

See the next page for border sizes.

Sew top and bottom borders.

Then sew setting squares to side borders and add those.

The outer border has no setting square in this layout.
