Finished Quilt Size 18" x 18"

Materials

[Type text]

Scraps for background

1 fat eighth white

1 fat eighth black

20" x 20" piece of batting

Fat quarter for backing

¼ yard for binding

Cutting

From scraps cut 36 3 ½ " squares

from the black fabric cut 18 1 ¾ " squares

From the white fabric cut 18 1 ¾ " squares

Sewing

Draw a diagonal line from corner to corner on the wrong side of each black and white square.

Place a white square on the corner of a print square right sides together. Sew on the line as shown. Trim ¼ inch beyond the sewn line. Press the seam allowance away from the white corner. Make 18 block units using the white squares.

Repeat the previous step with the rest of the print squares and the black squares to make 18 block units. Press the seams toward the black corner.

Lay out two black block units and two white block units as shown. Sew the units into rows and join the rows to complete 1 block. Make 9 blocks.

Lay the blocks out into three rows of three blocks. Sew the blocks into rows and join rows.

Finishing

Layer the quilt with backing and binding. Baste. Quilt. Bind.

This quilt was pieced with Aurifil 50 in #2026 and quilted with Aurifil polyester in 5505.
