Block instructions:

1. Select four fabrics, and assign each one a number on the template. Piece 1 is the center of the flower, pieces 2 and 3 will be the flower petals, pieces 4 and 5 are the background color
2. Using your favorite paper piecing technique (or using mine as described here), piece the each block together on the back of the paper, starting at 1 and progressing through the numbers as you piece.
3. Cut block out on dotted line.
4. Sew block a to block b. Sew block c to block a and b.
5. Sew block d to block e. Sew block f to block d and e.
6. Sew a/b/c block to d/e/f block.
7. Carefully remove paper from the back of the block.
8. Trim to 12.5" x 12.5 ".
